COMMERCIAL CLUB ENDORSES BOND ISSUE

At the recent meeting of the Board of Directors of the Paris Commercial Club held in the Club offices, the proposal of the City Board of Education to issue bonds for the construction of a new school building was endorsed. The Club recommended to the Board of Education that the proposed new building should be located somewhere south of Twelfth street and so planned and constructed that additions may be made to the building as the increase in population demands additional school facilities.

Prof. Lee Kirkpatrick appeared before the Board of Directors and emphasized the need of more room at the present site or a new school building in some other part of the town. It was brought out that most of the lower grades are crowded, and that many of the grade divisions are compelled to resort to afternoon sessions in order to accommodate the pupils.

The contention that the number of county pupils admitted to the public school is the cause of congestion was disproved by Prof. Kirkpatrick, who presented a chart showing that if all the county pupils were dismissed from the school the largest number released from any one grade would be eight pupils, and in most grades only two or three. Furthermore, the tuition charged all county pupils who attend Paris public schools is far greater than the per capita expense of running the public schools, and therefore the county pupils who attend the Paris schools are an asset to the school.

The Board of Directors joined the Board of Education in urging the citizens of Paris to support the bond issue in the election to be held in this city on Tuesday, December 19.

REAL ESTATE DEALS

The Paris Realty Co., as agents for Harold Roberts, sold his suburban farm of ten acres, located on the Clintonville pike, near Paris, to William Cooper for publication. Mr. Cooper will be given possession of the property on March 1, 1923, when he and his family will move to the place.

Dr. D. S. Henry is perfecting the organization of a "Home Builders' Association," of which he will be the principal incorporator. The object of the association is to provide houses for every man who desires to own his own home. Dr. Henry is at present erecting seven new houses in Evergreen Court, in the Henry Addition to Paris.

BOURBON BOY EN ROUTE TO HULA-HULA LAND

Lieutenant Eugene Elder, of Paris, who has been in the United States army service for several years, and for some time stationed at Camp Vail, in New Jersey, was recently promoted in the service and transferred to the Panama Canal Zone.

Lieutenant and Mrs. Elder came to Paris last month and spent some time here as guests of the former's parents, Mr. and Mrs. F. S. Elder, and family, leaving for San Francisco, where they remained until last Monday. Lieut. and Mrs. Elder sailed on a Government transport for Honolulu, Hawaiian Islands, carrying a large detachment of "rookies" destined for Philippine service, and for the Canal Zone. After a short stay in the Islands, they will proceed to the Canal Zone, where Lieut. Elder will take up his official duties.

In speaking of their trip Mrs. Elder said: "In September we were in New Jersey, in October, in New York, in November in Kentucky, in December in California, and in January we will be in Panama. That's going some, isn't it?"

COURT NEWS

At the recent session of the Bourbon Circuit Court, a decree was handed down by Judge Dedman, granting an absolute divorce to J. T. Reffett, of Paris, from his wife, and giving him possession of their twelve-year-old son, Thomas E. Reffett.

Wesley Snapp, of Paris, who was indicted by the grand jury at the November term of the Bourbon Circuit Court on the charge of stealing a valuable shotgun from Mike Murphy, and disposing of it to Peter English, was placed under arrest in Paris by Deputy Sheriff James Gibson, and taken to the Paris jail. Snapp served a previous jail sentence here after he had escaped and was rearrested by the Winchester authorities.

While in North Middletown on a business mission Deputy Sheriff Robert M. Gilkey arrested a negro named Ernest Fox, on a charge of forging the signature of Walker Buckner, Bourbon county farmer, for whom the negro had been working, to two checks for \$5.00 each. The forgery was detected when one of the checks was presented at the Bourbon-Agricultural Bank & Trust Co., for payment. Fox was placed in the Paris jail, to await a hearing in the County Court, before Judge George Batterton.

TOBACCO SALES TO BEGIN MONDAY

Sales of the 1922 tobacco crop on the Paris market will begin next Monday, December 11. Tobacco men have been notified to have their tobacco in readiness for the sale by that time. The crops were registered in the order in which the growers presented themselves to the registration clerk, and delivery will be called for in the order of registration. Farmers called may deliver part of their crops up to Christmas, if they are not ready to deliver all of it, after that deliveries must be made in crop lots when called for. Payment will be made on this year's crop in the same way as last year, a certain per cent on delivery, and the balance as the tobacco is sold.

Samuel Clay, chairman of the Bourbon county branch of the Association, attended the meeting of the Board of Directors, held in Lexington, Wednesday, at which it was decided to take vigorous steps against all violators of contracts with the Association.

CHRISTMAS IN THE LOCAL STORES

It is a pleasure to make a trip through Paris stores, now becoming decidedly attractive in their Christmas settings, full of nice things for the Christmas shopper. The Paris stores carry all the up-to-date holiday and winter stuff our people need to supply Christmas gifts, or the outfits required for the season.

Stores like those in Paris are just as up-to-date in these times as those in the larger cities. They prepare for the holiday trade just as carefully as any store can, and are advised by live and wideawake salesmen and wholesale houses as to what line of goods are the most popular this year and will best please the people.

In buying from the Paris stores you not merely get goods that are up to the minute in every respect, but they are sold at low prices. The cost of operating the stores in this city is relatively small and they can afford to sell for lower margins.

BUY RED CROSS SEALS

Buy Red Cross Seals to help care for a girl eleven years old who is suffering with tuberculosis of the hip, now lying in the hospital in a plaster cast. Help to send her to a specialist, or she will be a cripple for life.

Think of a mother of three small children, who is so ill of tuberculosis that she will likely pass over to the other world before Christmas. Buy Red Cross seals to help such distress as this.

Twenty-three Bourbon county boys all former service men, are said to be suffering with tuberculosis, the most dreaded disease on earth. In humanity's name, buy Red Cross seals, and help these sufferers.

On sale everywhere this week in Paris. Buy, and buy liberally for humanity's sake!

BACON HOME AT NORTH MIDLETOWN BURNED

The two-story frame residence of Mrs. Horace S. Bacon, located at North Middletown, this county, was totally destroyed by fire about 2:30 o'clock, Wednesday morning, together with the larger portion of its contents. The fire is supposed to have originated from a defective flue.

The blaze was discovered by Mrs. Bacon after it had broken out in front of the open fireplace in her bedroom. She and her two little sons made their escape in only their nightclothes. The Paris fire department was called, but was unable to be of much service on account of the advanced stage of the fire and the lack of a good water supply.

The home was one of the handsomest in that section of the county and contained a large collection of relics and antique furniture which had been collected by Mrs. Bacon in her travels in this country and abroad. Most of them were destroyed, as was all of her silver. The loss was estimated at approximately \$18,000, with insurance of about \$9,000.

Mrs. Bacon has for several months been occupying the furnished home of her brother, Calvert Meng, in Paris, but was in North Middletown Tuesday to move her furniture to another apartment in Paris, as her brother had planned to move from his Cane Ridge farm to the home in Paris in the next few days.

EDITORIAL FLINGS

Like Tennyson's "Brook," short skirts may come and short skirts may go, but the flapper goes on forever.

The little busy bee has done his Christmas shopping early. And we, alas, have not begun. The thought it makes us surly.

One of the natural wonders of politics is that when an officeholder's goose is cooked he becomes a lame duck.

A Lexington man says he was lured to the altar and married while he was drunk. Well, drunkenness frequently brings terrible punishment.

A gallant Kentuckian reasserts: "Women will improve politics." Perhaps. But will politics improve women? That's the question of most importance.

There is little likelihood of the good-looking women joining the female Ku Kluxers. They are not willing to mask their faces while on parade.

A scandalmonger does not require a great vocabulary, but rob them of the phrase, "It is said," "They say," and "Everybody says," and they would be dumb.

One of two women, each the head of a family, and living in Nicholas county, in the same house, chased each other two hundred yards into a cornfield and shot her to death. It is not often that when two heads

of families live in one house matters reach that point, but usually that point is all but reached time and again.

Things that the young girls of Paris ought to know do not include many of the things that often ask them to go flivvering.

The girls didn't bob their hair because it was style, but they are now worrying because their bobbed hair is no longer in style.

Yes, it is a fact that the years roll around more swiftly as one gets older, acquires an automobile and has to buy a new license tag.

A writer reminds us that "Woman is now our equal." We are aware of the fact, but really prefer the old-fashioned women whose equal we were not, and was glad of it.

When President Harding bought the old home farm near Marion, O., it was said that he didn't mind standing for re-election. When he sent the ship subsidy message, after calling Congress in extra session, it became apparent to surviving Administration leaders that it would be useless for him to stand for re-election.

Among motorists there is one class known as "road hogs." It is the practice of the "road hog" to see how close he can drive to the passing car, or to so steer his car as to frighten the driver of the passing car to such an extent that he will be driven off the road. It would be good time spent if these "road hogs" would stop and think that some time two "hogs" might meet and the sad story would be told in the accident columns of the newspapers the next day.

BACKACHE IS A WARNING

Paris People Should Not Neglect Their Kidneys

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Paris testimony.

Thomas A'Hern, proprietor restaurant, 927 Pleasant street, says: "Doan's Kidney Pills are all right and I recommend them highly. I used Doan's some time ago when my back ached, just over my kidneys. I had dizzy spells and felt sleepy. I lacked ambition to do my work. As soon as I began using Doan's Kidney Pills, which I got at Oberdorfer's Drug Store, I got relief and three boxes cured me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. A'Hern had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

ANOTHER TOBACCO SUIT AGAINST GARRETT WATTS

Garrett Watts, prominent Fayette county tobacco grower, for the second time was made defendant Tuesday in a suit filed by the Burley Tobacco Growers' Co-operative Association for damages for alleged breach of contract for selling on loose leaf warehouse floors tobacco said to have been pledged for fall when the burley co-operative was organized. The sum of \$7,500 damages is asked in the second suit, with \$1,000 more for expenses incurred in suing him.

The petition filed in the Fayette Circuit Court carried the names of Franklin, Talbott & Chapman, of Paris and Lexington, Worthington, Browning & Reed, of Maysville; C. Mallmeyer, of Lexington, and Aaron Sapiro, of San Francisco, as counsel, and alleges that Mr. Watts has sold over the loose leaf floors 150,000 pounds of tobacco raised on his property and which, under the provisions of the Bingham co-operative marketing act, he is "conclusively presumed" to be able to control.

In November judgment was given against Mr. Watts by Judge J. C. Dedman, in the Bourbon Circuit Court for \$350 damages and costs in the first case filed against him by the association.

V. Douglass, of Paris; Mr. and Mrs. Gowen Bourne, of this city."

SALVATION ARMY A FRIEND IN NEED

"A friend in need is a friend indeed." That is what the ex-service men say about the Salvation Army, whose appeal for funds for the Home Service Fund of Kentucky will come to your homes some time this week. We must not forget a cause that is as worthy as the Salvation Army. They have proven themselves and at a time when in danger at the side of our gallant boys on the battle fields "over there."

They could not be driven back. They were doing their duty for which the Salvation Army is well-known. Their motto is "Blood and fire," and "None shall be down and out." That is Christianity in its fullest sense.

Every soldier lad speaks highly of the Salvation Army. The reason for that is well-known.

RELIGIOUS**A Resume of Events in Religious Circles For Present and Future**

—Baptist Church Announcements—Sunday, December 10, Bible School at 9:30 a. m.; morning worship at 10:45; subject "The Impertinence of Worship," B. Y. P. U. at 6:00 o'clock, subject, "Who Is a Fool?" mid-week prayer meeting, Wednesday, 7:30 p. m.

—At the Christian church Sunday morning, Mrs. Harmon, wife of Prof. A. D. Harmon, will deliver the morning sermon, this being the annual service of the Woman's Missionary Society. Evening services at 7:00 o'clock. Rev. W. E. Ellis will preach. The Intermediate Choir will sing.

—Rev. J. H. MacNeil, for the past fifteen years pastor of the Winchester Christian church, at a special meeting of the church board, tendered his resignation, to take effect January 1, to accept a call to the pastorate of the Norwood (Ohio) Christian church. Rev. Mr. MacNeil is well-known in Paris, where he has a large circle of friends. He is a graduate of Transylvania College, and prior to taking charge of the Winchester congregation, was stationed at Kokomo, Indiana, for seventeen years.

—The Young People's Missionary Society of the Methodist church held an interesting meeting in the church, the feature of which was a

tableau, showing the Wise Men Kneeling at the Manger, followed by a literary program. The following officers were elected for the coming year: President, Marguerite Rudder; Vice-President, Elizabeth Carr; Recording Secretary, Ethel Mae Shanklin; Corresponding Secretary, Ina Mattox; Treasurer, Madge Taylor; Superintendent of Social Service, Carrie Hudson; Superintendent of Mission Study and Publicity, Ruth Woodward; Superintendent of Supplies, Georgia Adams. Miss Ruth Wheeler was appointed Librarian for the Chapter by the chair.

PRESBYTERIAN CHURCH

—The subjects for the sermons for Sunday are: Morning, "The Church in the Home," evening, "Copy God." Rev. T. S. Smylie will preach at both services. Work has begun on the Christmas program. Miss Crutcher, the organist, and a corps of helpers have begun drilling the young people in the Christmas carols which were so delightful last year. Practice on the carols will be held again Sunday afternoon. Five people were received into the church last Sunday. The hours of service are: Sunday School, 9:30 a. m., Christian Endeavor, 6:30 p. m., preaching, 10:55 a. m. and 7:15 p. m. Everybody welcome.

SOMETHING WRONG HERE

There's something decidedly wrong at the postoffice. A Paris business man told a NEWS reporter yesterday that the first time in his remembrance he found a pen on the writing desk that was fit to use, and also a nice clean new blotter. The shock almost gave him nervous prostration. He ascribes the surprise to the near approach of the holidays.

RECEIVER BOSWORTH SUES THE BOURBON OIL STOCKHOLDERS

Clifford C. Bosworth, receiver for the Co-operating Land and Development Company, filed three suits in Federal Court at Lexington against ten stockholders of the company for a total of \$108,084, alleged to be due on stock issued and asserted never paid for and on promissory notes.

One suit names T. J. Flora, J. T. Wagoner, George W. Wilder, E. H. Gorey, John DeJarnett and Mary A. Gorey, all of Paris, as defendants and alleges that they entered into a conspiracy with C. L. Bell, former president of the company, whereby they were to be issued 100,000 shares in the corporation without cost, and further alleges that 33,334 shares were actually issued to the defendants and never paid for. The shares had a par value of \$1 and the amount asked for in the petition is \$33,334.

Another suit names I. J. Ingels as defendant and seeks a judgment for \$4,750, claimed to be due the bankrupt corporation on promissory notes.

The third suit is for \$60,000, claimed to be due from M. E. Pruitt and Lucy Pruitt, of Millersburg, and for \$10,000, claimed to be due from James H. Moreland, of Paris, for shares of stock alleged to have been issued to the defendants but never paid for. J. A. Edge is attorney for the receiver in the actions.

SALE POSTPONED

On account of the bad weather I have been unable to get the seven cottages ready for sale by Saturday, December 9th, so I have decided to POSTPONE THE SALE UNTIL TUESDAY, DECEMBER 12. Come out at any time and see these attractive bungalows. Respectfully,

TURKEYS BRING HANDSOME SUM

Mrs. H. A. Rankin, of Cynthiaana, sold and delivered recently to the Brent Co., of Paris, ninety-eight turkeys for which she received \$547.74. The purchasers said these were among the best birds they had handled. Last year Mrs. Rankin sold her flock of turkeys to the same firm for \$533.

The lad who is looking for something soft will have a hard time of it.

PROSPEROUS CHRISTMAS PREDICTED

With the resumption of the tobacco markets, and other causes, the merchants of Paris are anticipating a prosperous Christmas trade. This is indicated by present business conditions, according to a number of merchants who were interviewed by a NEWS man recently. Managers of three large houses are unanimous in their prediction that a booming Christmas trade will be had, and that more substantial gifts than ever before would be used.

The local stores have begun to decorate for the Christmas trade, and are placing their large Christmas stocks in position for the inspection of shoppers. In the meantime the live wires are using the advertising columns of THE NEWS to acquaint the trade with what they have in stock. The pessimists will have to take a back seat for Christmas in Paris this year is bound to give their wailings and direful predictions a black eye.

Y. M. C. A. BASKETBALL TEAM

The first game for the newly-organized baseball team of the Bourbon County Y. M. C. A., will be played in the "Y" gymnasium to-night with the team from the Georgetown College. The Paris team is reported this year as being one of the best the "Y" has ever put out, with a large number of candidates reporting for practice each day. All the prospective members for the team are rounding out very nicely, and are expected to give a good account of themselves when the scrimmage time comes. The complete schedule for the season's play has not been worked out.

BOY'S FLIGHT STIRS THE NATION

Letters and petitions urging Gov. Edwin P. Morrow to commute to life imprisonment the death sentence imposed on Steve McQueen, 17-year-old Rockcastle county boy, convicted for the murder of Isaac Coyle, have been pouring into the governor's office for the last week. Practically every State in the union is represented in the letters, according to Miss Goldie Raridan, secretary to Governor Morrow. The boy is now confined in the Boyle county jail.

CITIES MAY ASK FOR TAX REPEAL

A repeal of Kentucky's classification tax law through efforts of various municipalities is looked forward to as the next possible step in case the decision in the suit by various banks to prevent collection of State, city and county taxes, is decided for the banking institutions. This information was contained in a letter to Peyton N. Clarke, secretary of the Kentucky tax reform association, from William T. Baskett acting city attorney of Louisville, who declared that that city would join any such move.

Mention of the movement for repeal of the law was made by the Christian County Fiscal Court in resolutions adopted Friday, charging the bank with evasion of taxes. The court also charged that public concerns will follow the lead of the banks, and urged a special session of the Legislature for the repeal of the law in that event.

NOTED AUTHOR'S GRAVE TO BE DECORATED

Preparations are well under way for short exercises which will be held Friday afternoon over the grave of John Fox, Jr., the noted Kentucky author, who is buried in the Paris Cemetery. Members of the Sidney Toler Dramatic Co., who will present a dramatization of Fox's noted book, "The Little Shepherd of Kingdom Come," at the Paris High School auditorium that night, will place a wreath of laurel and flowers on the grave.

The Toler Company has for the past week been presenting the play at Macauley's Theatre, in Louisville, and part of this week will be at the Ada Meade Theatre, in Lexington.

Several months ago a wreath was placed on Fox's grave by Fritz Scheff, the former wife of the noted novelist, from whom she was divorced during his lifetime. On several occasions since his death Miss Scheff has visited the Paris Cemetery and placed floral offerings on his grave, which is on the same lot with his father and mother.

Since the passage of the eighteenth amendment, even "corned" beef isn't as plentiful as it was.

FORMER BOURBON MAN PROSPERING

The papers are giving prominence to an item stating that L. T. Cooper, formerly of Bourbon county, recently purchased a building block in Dayton, Ohio, for \$1,500,000.

Cooper is a native of Germantown, Mason county, but lived in Bourbon county for several years, residing on a farm near North Middletown. He has made a fortune out of the patent medicine business, manufacturing Tanlac and other medicines. In the early days of his career he often visited Paris selling medicines on the public square and is well-remembered by many Paris people.

HOOVER ELECTRIC VACUUM CLEANERS AND HOT-POINT IRONS

RICE PICKED AS FAVORITE

In making selections for next year's players, Alex T. Rice, Jr., made an enviable record in the past, was one of five chosen by a unanimous vote.

NOTICE TO THE PUBLIC

The hospital staff and board greatly appreciate the generous Thanksgiving donations made them and desire to thank the public for same.

PLENTY OF WATER

Heavy rains of the past few days have swollen the branches and creeks, partly filled the ponds and supplied the farmers and stock raisers with plenty of water for their stock. The drouth is now a thing of the past, for which the thanks of the people have been sent to the weather man. The water in Stoner creek had almost reached the flood stage with the rains of yesterday and for the first time since last spring was running over the big concrete dam at the Paris Milling Co.'s plant. Houston creek is also sending down a large volume of water, which adds its volume to that coming from Stoner, relieving a large extent of territory. Restrictions on the use of water, under regulations issued by the Paris Water Co., have been removed.

PUBLIC NOTICE

Beginning next Monday, December 11, the Frankfort I Cincinnati Railway will reestablish the same passenger service as operated before July 1, last. The action was taken in response to an appeal from Scott, Franklin and Bourbon county people, in anticipation of the Christmas holidays.

SALE POSTPONED

On account of the bad weather I have been unable to get the seven cottages ready for sale by Saturday, December 9, so I have decided to POSTPONE THE SALE UNTIL TUESDAY, DECEMBER 12. Come out any time and see these attractive new bungalows. Respectfully, (5-2t) D. S. HENRY.

BETTER TIMES RIGHT ON THE BRINK

One of the leading business men of Paris, one who keeps his ears close to the business world at all times, and who knows just about everything worth while that is going on in business circles in Paris, was in THE NEWS office the other day. From a business standpoint he was all smiles and in a splendid good humor.

Asked what had happened he replied that he was all good nature over the excellent business prospects for Christmas trade, and that there would be more money turned loose in Paris and Bourbon county, and for that matter, in Central Kentucky, within the next ninety days, than the people had seen for a long time. "Times are going to be good, and you will see a better feeling in Paris than we have enjoyed for many months. There is no room here now for croakers, and those who are so inclined, will have to go to themselves and do their croaking. Paris is in for a season of prosperity, and there is nothing in the immediate future to stop it."

THE MEANEST THIEF

Interurban Agent George M. Davis has a grievance. He claims to have discovered the meanest thief on record, that is, he hasn't located the thief, but has evidence of the meanest case of petit larceny on record.

Several months ago a complete directory of the Paris churches and lodges, handsomely framed, was hung in the waiting room at the Interurban station, and was the means of giving much valuable information to the traveling public. When Mr. Davis opened the station for business yesterday morning he found the remains of the directory, with the back, the tacks that held it in, and even the nail upon which it had been hung, but the handsome frame and glass had disappeared.

The State Tax Commission showed rare good taste in selection of colors for the 1923 automobile license tags, according to County Clerk Pearce Paton, who stated that the new tags will soon be ready for distribution to automobile owners. While the passenger car license will go on sale at once, auto owners will not be allowed to display the new tags until after December 29.

Y. M. C. A. NOTES

Considerable interest is being manifested in the basketball game to be played at the Y. M. C. A. tonight between the "Y" team and the Varsity five from Georgetown College.

Russell Roberts and Bob Burnett, former High School stars, and members of the Association team for the past two seasons, reported for practice several days ago. These two men will add considerable strength to a team that already deserves high rating. The majority of the candidates for the team have been out every night this week perfecting their goal shooting and indulging in some heavy work in order to be pointed for the strong team they will face to-night. Basil Hayden, all-Southern forward at University of Kentucky in 1921, and who is coaching athletics at Wesleyan College this season, has been secured to referee the game.

STANDS PAT ON EXTRA SESSION

Representative H. V. Thompson, from Clark county, is opposed to the reopening of the Normal School question and does not think a special legislative session would be necessary.

He was queried by a Louisville newspaper as follows:

"Assuming that you approve the reopening of the Normal School case, do you favor judicial or legislative action? If called in extra session, will you vote for a repeal?"

His answer was:

"I assume the legislative committee had authority to locate the normal school. I do not favor an extra session of the legislature."

Mr. Thompson says that the fact that he is a brother of Speaker James H. Thompson, of Bourbon county, who had appointed the committee does not affect his opinion in the matter, since he has high regard for the personnel of the committee.

Some solons express the opinion that testimony is not sufficient to support judicial action should the case be reopened and others are of the opinion that legislative action would be futile inasmuch as the same leaders would control the special session.

CHRISTMAS CAROLING IN 1921.

Ten years ago outdoor Christmas Eve Caroling, especially by itinerant groups through the streets of town and village, was almost unknown in this country. The beautiful old custom that had once been universal in England had all but died.

The widespread adoption of the Community Christmas Tree did much to bring the carols to public attention again. Yet the singing of the charming old Yuletide songs for the public benefit was all too infrequent and the general absence of the "waits," the traveling bands of carolers, in their picturesque red cambric capes, was particularly regrettable.

The National Bureau for the Advancement of Music is interested in extending more widely the influence and utilization of music among the American people, and it was in the Christmas caroling one of the most inspiring uses of song, as a satisfaction to the singer, a joy to the community, and a means of expressing the Christmas spirit. In 1917, therefore, shortly after its own inception, the Bureau began working actively for the country-wide expansion of the custom. It pointed as a model to the splendid organization for Christmas singing that had been worked out on a city-wide scale in Detroit. As a further aid to the movement the Bureau issued its booklet, "Christmas Eve Caroling Being Revived," giving a brief outline of the history of the custom and instructions for procedure to those interested in carrying out the plan locally.

By this time the movement had made considerable advance, and in the first edition of the booklet, a year after efforts were made to revive the movement, it was possible to list 30 important cities in which the outdoor caroling had been introduced. There were undoubtedly more than this number, but the Bureau had not full facilities for tracing them. By the time the second edition was published, in October, 1920, a verified list of nearly 100 was included.

This success, however, led only to the redoubling of effort, with the result that in December, 1920, there was evidence that the caroling had actually been established in 330 cities. By December, 1921, the number has risen to 661. (This does not include about 150 listed in 1920, but of which no report was received of caroling in 1921, although most of them undoubtedly observed the custom.) Some of the cities were large, others small. Some had caroling groups enough to cover the entire area, others for but one or two districts; while in still others carols were sung around the community Christmas tree only. The information was gathered from newspaper clippings from all parts of the country, and it is probable that many cities were overlooked. No places were included where the caroling was simply an indoor or church event.

Even a blind man can see an auto speeder's finish.

SIMMS ON THE WAR

J. M. Allison, New York correspondent of the Cincinnati Times-Star, in his "New York Day by Day" column had the following to say of Edward F. Simms, who is now spending several days at "Xalapa Farm," his estate near Paris: "Maybe you don't know Edward F. Simms, who is an oil magnate in Texas, a sportsman in Kentucky, a millionaire sportsman in Saratoga and a specialist in New York. If you don't, you have missed him in his best role—as a philosopher in the abstract. That requires that you shall hear him talk. "They say that we didn't learn anything from this war," he said recently. "Let me show you what we learned. One-half of the men who were drafted for our army were subnormal, physically. A majority were illiterate. One-third of those who claimed to be skilled mechanics could be rated as journeymen. The government found it necessary to train a million and a quarter men for simple technical work. We found all of that out from this war, and if we can correct it now, the war was worth while."

What has become of the old fashioned tad who used to whistle "White Wings Never Grow Weary"?

"QUINCE" MAKES A RARE DISCOVERY

(Carlisle Mercury)
Q. T. Gatewood has on display at his confectionery a Brazil nut shell containing a number of nuts. It came in a shipment of nuts to his store. The cluster of nuts grow inside a hard, round shell, which resembles a coconut shell. It is about ten inches in diameter and about fifteen nuts seem to cluster closely around a stem inside that resembles one of the nuts.

BOURBON COUNTY HIGH SCHOOL NOTES

—Mariam Hunt, the little daughter of Prof. and Mrs. J. W. Lancaster, is convalescent after a light attack of scarlet fever.

The faculty and student body received with deep regret Tuesday morning the news of the death of Col. C. M. Best at his new home in Pennsylvania. Enjoying as they do, the commodious building and beautiful grounds which are largely the result of Col. and Mrs. Best's untiring efforts for the betterment of the community, and feeling their loss at the passing of this veteran in educational endeavor, as a mark of respect and appreciation, the flag on the school grounds was flown at half mast Tuesday, Wednesday and Thursday.

The exercises were opened by the singing of America, and My Old Kentucky Home by the school, after which Supt. J. W. Lancaster paid a touching tribute to the late Col. C. M. Best, who passed to his reward Tuesday at his home in Pennsylvania. Following Mr. Lancaster's remarks, at his suggestion, the school sat with bowed heads for the space of a few moments, as a token of respect to one who spent a quarter of a century in the cause of education in our midst.

ALL CLOUDS MADE OF DUST

What do you think is the predominating element of the great clouds which float high above our heads in the sky? Water? No; dust, the little motes that we may see dancing in any sunbeam. Without dust there can be no clouds, and without clouds rain cannot fall.

Most of England's rain comes from the hot seas on the coast of America. Here water rises into the air in the form of steam, whose tiny particles adhere to the little dust-specks, or motes of which the atmosphere is full. If it was not for the motes the stream would simply fall back again at evening time when the temperature dropped. But as it is, each mote attracts a certain number of vapor particles, and retains them. In this way great clouds are formed which are carried eastward over the seas by the wind.

So long as there is no great fall in the temperature they will continue to be clouds; for water-vapor begin at once to condense into drops of water far heavier than air. The motes can no longer sustain their burden and rain begins to fall.

PECULIAR ACCIDENT

While driving on the Paris pike near Millersburg a horse belonging to Arthur Graham slipped and fell. As he was endeavoring to get the animal on its feet a passing automobile skidded and struck Mr. Graham, inflicting severe cuts and bruises about the body. Mr. Graham was picked up by passers-by and taken to the office of Dr. W. G. Dalley, in Millersburg, where he was given medical attention, after which he was removed to his home.

A lot of fellows who take a chance on restaurant hash haven't received their Carnegie hero medals as yet.

What has become of the old-fashioned man who used to brag about his three-minute trotter?

MATRIMONIAL

A Record of Dan Capid's Doings As
The Days Go By /

NEAL—INSKO

—The Cynthiana Log Cabin of Friday, had the following matrimonial note:

"Mr. Robert Insko, of Paris, and Miss Hazel Neal, of Mt. Olivet, were married last July 27, at Nicholasville by Rev. Madison Combs, pastor of the M. E. Church, of that place. It was not an elopement, just young folks' way of doing things. County court day November 20, they divulged the well kept secret and received the congratulations of their many friends. Mr. Insko is the second son of Mrs. Annie Insko and the late Aaron Insko. He is in the garage business at Paris and is doing well.

"The bride is the youngest daughter of Mr. and Mrs. J. W. Neal, and is one of Mt. Olivet's graduates of the County High School, a successful teacher—now teaching the Primary department in Mt. Olivet. Also, she is a fine musician."

DEATHS

Life Is But A Brief Span, A Debt
That All Must Pay

REYNOLDS

—Samuel T. Reynolds, retired farmer of Harrison county, died at his home in Cynthiana, from the infirmities of age. Mr. Reynolds was in his eightieth year. For many years he resided on his farm near Ruddles Mills, but moved to Cynthiana about three years ago, buying a home on Wilson avenue, in that city. He is survived by two daughters, Mrs. Will Megibben and Miss Ida Reynolds, both of Cynthiana.

The funeral was held at the residence, Tuesday morning, conducted by Rev. Clyde Darsie. The interment followed on the family lot in Battle Grove Cemetery.

KENNEDY

—Following a long illness due to a complication, William Kennedy, aged about sixty-two, a former resident of the Clintonville precinct, died in a Lexington hospital, Monday night.

Mr. Kennedy was a son of the late Mr. and Mrs. Nich Kennedy, pioneer residents of Clintonville, his father for many years conducting a blacksmith shop in Clintonville. After the death of his father Mr. Kennedy continued the business until declining health forced his retirement. He is survived by two sisters, Mrs. Fred Estes and Mrs. Dan Smith, both of near Clintonville, and one brother, J. Harlan Kennedy, of Clark county.

The funeral was held at two o'clock Tuesday afternoon, with services conducted at the grave in the Clintonville Cemetery by Rev. R. H. Ellett, pastor of the Clintonville Christian church.

BEST

—A message received by friends in this city from Harry S. Roche, Jr., in Philadelphia, announced the death of Col. C. M. Best, at Langhorne, Pa. The message gave no particulars, other than Col. Best's death was very sudden, as he had apparently been in the best of health.

Col. Best was one of the best-known educators in the South. He was sixty-two years old. He and Mrs. Best, who was formerly Miss Maggie Botts, of Pennsylvania, moved to Millersburg from Winchester, Pa., in 1893, and purchased the old Kentucky Wesleyan College, which they remodeled and opened as the Millersburg Military Institute. The institution was an immediate success, and in the intervening years it graduated hundreds of young men who have since become prominent in the business and professional world.

Two years ago, due to ill-health, Col. Best disposed of the property, and with his wife and nephew, Harry S. Roche, Jr., went to Langhorne, Pa., where they purchased a farm.

Col. Best is survived by his widow, two sisters, Mrs. Yates, of Washington, D. C., and Mrs. Hazeltine, of Lexington, Va., and one brother living in Oklahoma. Col. Best was a graduate of the Virginia Military Institute at Lexington, Va., and of Johns-Hopkins Institute, at Baltimore, Maryland.

HOLLADAY

—The funeral of Miss Lottie Holladay, who died Monday afternoon at the Holladay home on Pleasant street, after a long illness, was held at her late home, at 2:30 o'clock, Wednesday afternoon, with services conducted by Rev. F. W. Eberhardt, of Georgetown, former pastor of the Paris Baptist church, assisted by the pastor, Rev. Louis Gaines. The interment followed on the family lot in the Paris Cemetery. The pall-bearers were William Eaton, Greene Finley, Newton Mitchell, Wallace Mitchell, George Weeks, Wm. R. Blakemore, Charles A. Webber and Chas. T. Kenney.

At the grave Rev. Eberhardt delivered a short but feeling eulogy in memory of the woman whose earthly tenement had been consigned to its last resting place, and sang a beautiful solo. Touching selections were rendered by a quartette composed of Mrs. Edward F. Prichard, Miss Flora Hill, Charles B. Mitchell, and Capt. Robert Harbeson. The grave was entirely hidden beneath a wealth of beautiful floral offering, hundreds of pink roses, her favorite flower, occupying a conspicuous place among the beautiful flowers.

Miss Holladay was a consistent member of the Paris Baptist church, a beautiful Christian character, whose kindly influence was reflected in her everyday life. Of a friendly and amiable disposition, she found pleasure in radiating happiness and good cheer and found a cordial welcome wherever she went. Her life was gentle, but, like the still waters, was deep. In her heart of hearts she carried those she loved, and her hand was never weary, her step never failed in ministering unto, caring for, waiting upon those who were in any way brought within reach of her help.

Job was a patient man—but he never ran a nail in a front tire just as he was backing out of the garage.

CRIME BARRED IN JAPANESE
NEWSPAPERS

Japan's police, in investigating crime, believes that the publication of facts may assist the criminal to escape. Several cases have occurred recently where the newspapers have published the facts about murders only to be told after it had all been in print that no further reference should be made to the crime. Newspapers which in such circumstances are closely watched, have come out with blank columns, the police having at the last moment ordered news of the event to be suppressed.

A lot of folks think that harmony is easy. All they want is all the other folks to agree with them.

At any rate, you can't deny the fact that the telephone girl tries to have good connections.
